Transfer Guide into
The William States Lee College of Engineering

**Degree:** Bachelor of Science in [Major] **Majors:** Civil Engineering, Computer Engineering, Electrical Engineering, Mechanical Engineering, Systems Engineering

**Transfer Admission Requirements:** for direct admission

- 24 transferable credits complete
- Cumulative GPA of 2.5 or higher for Civil, Computer, Electrical and Systems Engineering
- Cumulative GPA of 2.8 or higher for Mechanical Engineering
- College-level Calculus I (equivalent to MATH 1241 at UNC Charlotte) must be complete with a grade of C or higher prior to transferring

**Suggested Transfer Courses:** Below are some suggested courses that align with engineering degree requirements at UNC Charlotte. Students should use the UNC Charlotte Transfer Credit Advisor to verify that courses taken at their institution will count as an equivalent course. Refer to the University Catalog for more information about each engineering program and to identify the courses required for individual engineering majors. In addition to the major specific suggestions below, students are also encouraged to complete some University General Education requirements prior to transferring.
